

EXPERIENCE MIDDLE SCHOOL AT BATTLE CREEK PUBLIC SCHOOLS

A path for all students to explore their passions

At BCPS, we provide a path for every student to succeed based on their passions and goals. We know that no two children are the same, which is why we work to make sure every student is paired with the right curriculum and environment for their interests and needs.

Let self-expression and creativity shine at **NORTHWESTERN MIDDLE SCHOOL**

Express their creativity and find their voice at
Northwestern Middle School

At Northwestern, students discover healthy expression, build self-worth, and realize their power to contribute to the world.

With development toward an arts-focused K-8 school on the horizon, and a variety of music and arts classes offered now, Northwestern is a school that values expression and fosters creative thinking among students. Northwestern students have the opportunity to explore who they are while learning to express themselves and find their voice.

WHY NORTHWESTERN?

- Student leadership opportunities and club options.
- Advanced art and band experiences.
- Incredible teachers, expansive support staff, and community partnerships.
