

BEARCAT

SUMMER EXCELLENCE CHALLENGE

Dear Students,

At BCPS, we want you to keep learning all summer long so you can start the new school year ready to succeed. And this summer, you can turn that learning into cash! We're offering great prizes to students who participate in the **Bearcat Summer Excellence Challenge**, so don't miss out!

Here's your challenge: All you've got to do is read 5+ chapter books this summer to unlock cash prizes! If you read at least five books, you can earn \$5 for each book, up to \$50 total! Use the books you got from school, or check out books from Willard Library with your library card. Feel free to read anything that excites you!

You can get credit for reading by submitting an online Google form for each book you complete. In this folder, you'll see a card with a QR code. Carry this around with you so you can access the form at any time!

Students who participate in the Summer Excellence Challenge can keep their Chromebooks for the summer by filling out the online form at battlecreekpublicschools.org/summerexcellence. If you or your parents fill out the form before the last day of school, you can take their Chromebook home for the summer. If you fill it out after school is out, someone will be in contact with you to coordinate a pickup or dropoff time.

Hope you're all excited for a great summer filled with learning!

Best,

Noah Hollander
BCCHS Principal

MY SUMMER GOALS

Set goals at the beginning of the summer
to track your progress!

Name: _____

Grade: _____

School: _____

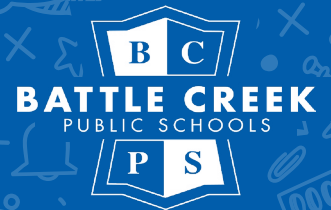

Favorite Subject: _____

**I want to read _____
books this summer!**
