The Board of Education is accountable to the school district community:

3.a. - Is the Board of Education knowledgeable of the students, families and community it serves including factors such as conditions that impact learning and desired outcomes?

3.b. - Does the Board of Education operate in an open and transparent manner?

**Denotes possible Board action*

- 3.c. - *Prior to deliberating, does the Board of Education inform itself by listening to a diverse range of views from around the board table as well as across the community it serves?*
- 3.d. - *Is progress toward goals and student performance regularly reported to the community?*
- 3.e. - *Is the Board of Education's performance evaluated on a regular basis with the use of a valid and reliable assessment (internally, externally or both) and reported to the community?*
- 3.f. - *Has the Board of Education put policies in place that support successful implementation of the district plan?*
- 3.g. - *Does the Board of Education's governance of the school district demonstrate due concern with regard to financial and legal matters?*
